

SMT. NAGARATHNAMMA COLLEGE OF NURSING

Awareness session on Sexual and Reproductive Health

The Awareness Session on Sexual and Reproductive Health aims to educate students on the importance of sexual and reproductive well-being by promoting accurate knowledge about puberty, menstruation, and reproductive health. The session also focuses on safe practices, prevention of sexually transmitted infections including HIV/AIDS, and encourages responsible behavior, gender sensitivity, and informed decision-making.

12th February, 2026

02:00 PM to 03:00 PM

Venue Nursing Auditorium, Acharya Campus

SPEAKER

Dr. Shridevi Hiremath

Vice Principal and HOD
Department of Obstetrics and Gynaecological Nursing,
New Ashwini Institute of Nursing Sciences, Vijayapur
