

**SMT. NAGARATHNAMMA COLLEGE OF NURSING**

## Webinar on ECG Interpretations

The Webinar on ECG Interpretations provides participants with comprehensive knowledge of the cardiac conduction system, including its anatomy and physiology, and the fundamental principles of electrocardiography. It is designed to equip learners with a systematic approach to interpreting normal and abnormal ECG tracings, enabling accurate identification of various cardiac arrhythmias and conduction abnormalities. The webinar also seeks to enhance participants' diagnostic abilities and strengthen clinical decision-making skills.

**16<sup>th</sup> February, 2026**

**12:00 PM to 01:00 PM**

**Venue** Lecture Hall 3, Acharya Campus
