

ACHARYA

SMT. NAGARATHNAMMA COLLEGE OF NURSING

FREE HEALTH CHECKUP AND BLOOD DONATION CAMP

6th May 2025 | 10:00 am to 04:00 pm

Smt. Nagarathnamma College of Nursing, Acharya Campus

About the Program

The Free Health Checkup and Blood Donation Camp is a joint initiative by Smt. Nagarathnamma College of Nursing and Mediscope Blood Bank, Bangalore, aimed at promoting a culture of preventive healthcare and voluntary blood donation. This health-focused initiative is open to students, teaching faculty, and non-teaching staff of Acharya Institutes, offering a range of basic health screening services along with an opportunity to contribute to the life-saving act of blood donation.

Objectives of the Program

- To create awareness about the importance of regular health checkups for early detection and prevention of common health issues.
- To promote voluntary blood donation among students and staff and educate them on its impact in saving lives.
- To encourage a sense of social responsibility and well-being within the campus community.
- To provide basic health services and expert consultations for maintaining physical wellness.
- Early Detection of Health Issues: Identify and address potential health problems before they become severe.
- Promote Preventive Healthcare: Encourage the adoption of healthier lifestyle practices through personalized advice and counseling.

Expected Outcome of the Program

- Increased health awareness and early identification of common medical conditions among participants.
- Improved engagement and participation of students and staff in health-related initiatives.
- Enhanced community spirit through blood donation and health-focused interactions.
- Contribution to the blood bank reserves, supporting emergency and scheduled medical needs in the community.
- Strengthened collaboration between educational institutions and healthcare providers for mutual benefit.
