

# TWO-DAY INTERNATIONAL WORKSHOP: COLLABORATIVE WRITING AND EDITING IN HEALTHCARE PUBLICATIONS

19<sup>th</sup> to 20<sup>th</sup> March 2025 | 10:00 am to 04:00 pm  
ANR Auditorium, Acharya Campus

## About the Program

This international workshop aims to enhance the writing and editing skills of students, faculty, and healthcare professionals by focusing on collaborative writing techniques, effective editing strategies, and publication ethics. The workshop will provide hands-on training, expert insights, and interactive discussions to improve research communication in the healthcare domain.

### Objectives of the Program

- To equip participants with the skills necessary for collaborative writing in healthcare research.
- To improve manuscript structuring and clarity for academic and professional publications.
- To enhance editing and proofreading skills for high-quality research outputs.
- To provide knowledge on ethical writing practices and authorship guidelines.
- To offer hands-on experience with writing and editing tools used in the healthcare domain.

### Expected Outcomes of the Program

At the end of the workshop, participants will be able to:

- Effectively collaborate on research manuscripts and academic publications.
- Apply best practices in structuring, writing, and editing scientific papers.
- Identify and rectify common writing errors to improve manuscript quality.
- Understand and adhere to publication ethics and authorship responsibilities.
- Utilize writing and editing tools to streamline the publication process.

### Workshop Highlights:

- Understanding Collaborative Writing – Effective strategies for co-authoring healthcare publications.
- Scientific Writing & Structuring – Enhancing clarity, coherence, and academic rigor.
- Editing & Proofreading – Techniques to refine manuscripts for publication.
- Publication Ethics & Authorship Guidelines – Ethical considerations and best practices.
- Hands-on Training – Practical exercises and real-time feedback from experts.
- Panel Discussion – Insights from editors and experienced researchers.
- Networking Opportunities – Connect with peers and industry professionals.
