

NURSING GRADUATION CEREMONY

23rd August 2025 | 10:00 am to 02:00 pm

Main Auditorium, Acharya Campus

About the Program

The Nursing Graduation Ceremony is a momentous occasion that celebrates the successful completion of academic and clinical training by our graduating nursing students. This ceremony marks the transition from student life to professional practice, honoring the hard work, dedication, and compassion that are the hallmarks of the nursing profession.

The event includes the traditional capping and lamp lighting rituals, symbolic of the noble calling of nursing, as well as speeches by esteemed guests, faculty members, and student representatives. Families, friends, and faculty gather to recognize and applaud the achievements of the graduates as they embark on their journey to serve humanity in various healthcare settings. This ceremony not only acknowledges academic excellence but also reinforces the values of empathy, ethics, and lifelong learning that define the nursing vocation.

Objectives of the Program

- To Celebrate Academic Achievement: Recognize and honor the hard work, dedication, and successful completion of nursing education by the graduating students.
- To Mark the Transition into Professional Practice: Symbolize the shift from student to professional nurse, ready to serve in healthcare settings with competence and compassion.
- To Reinforce Professional Values: Uphold the core values of nursing care, compassion, ethics, and responsibility through traditional rituals like the capping and lamp lighting.

Expected Outcome of the Program

- Empowered Graduates Ready for Practice: Graduates will leave the ceremony with a renewed sense of confidence and readiness to begin their professional nursing careers.
- Enhanced Professional Identity: Students will gain a deeper understanding and pride in their role as healthcare providers, embracing the responsibilities and ethics of the nursing profession.
- Emotional and Motivational Upliftment: The ceremony will provide emotional fulfillment and motivation, marking a significant milestone in the lives of graduates and their families.

Target Audience: Nursing students
