

ACHARYA

SMT. NAGARATHNAMMA COLLEGE OF NURSING

PARENT-TEACHER MEETING BUILDING FUTURES TOGETHER

31st May & 02nd June 2025 | 09:00 am to 04:00 pm

Nursing Auditorium, Acharya Campus

About the Program

"Building Futures Together" is more than just a Parent-Teacher Meeting it's a collaborative initiative designed to strengthen the vital partnership between families and educators. This program provides a platform for open communication, mutual understanding, and shared responsibility in supporting each child's academic, emotional, and social development.

Objectives of the Program

- To Share updates on your child's academic performance
- To Discuss strengths, challenges, and progress
- To Offer feedback on classroom behaviour and participation
- To Address any questions or concerns
- To Strengthen the parent-teacher partnership

Expected Outcome of the Program

- Enhanced Communication: Establish clear and open lines of communication between parents and teachers, promoting mutual trust and understanding.
- Individualized Student Support: Identify student strengths, challenges, and needs, allowing for more personalized support strategies both at home and in the classroom.

Target Audience: 1st GNM & 3rd GNM Batches & 3rd Semester, 5th Semester & 4th B. Sc Batches
