

WEBINAR ON GENDER SENSITIZATION 2024-25

17th May 2025 | 11:00 am to 12:00 pm

ANR Auditorium, Acharya Campus

About the Program

The Webinar on Gender Sensitization (2024-25) is organized with the aim of fostering an inclusive environment that upholds the principles of gender equality. The program will focus on raising awareness about gender disparities, addressing gender-based biases, and promoting respectful and equitable interactions within academic, healthcare, and professional settings. Through this initiative, we aspire to empower participants with the knowledge and tools necessary to challenge stereotypes and advocate for a balanced and just society.

Objectives of the Program

- To promote awareness about gender equity and its importance in educational and healthcare institutions.
- To sensitize participants towards gender-based issues, biases, and discrimination.
- To encourage the adoption of gender-sensitive practices in academic and professional environments.
- To support institutional efforts in building a safe, inclusive, and respectful space for all genders.

Expected Outcome of the Program

- Participants will gain a deeper understanding of gender equity and the relevance of gender sensitization in modern society.
- Enhanced capacity among attendees to recognize and challenge gender biases in their daily interactions and professional roles.
- Strengthened commitment towards fostering an inclusive, safe, and equitable environment within educational institutions and healthcare systems.
- Empowerment of nursing students and professionals to serve as advocates for gender equity in their communities and workplaces.
