ACHARYA - WHERE THE

B.Premnath Reddy

Founder Chairman - Acharya Group

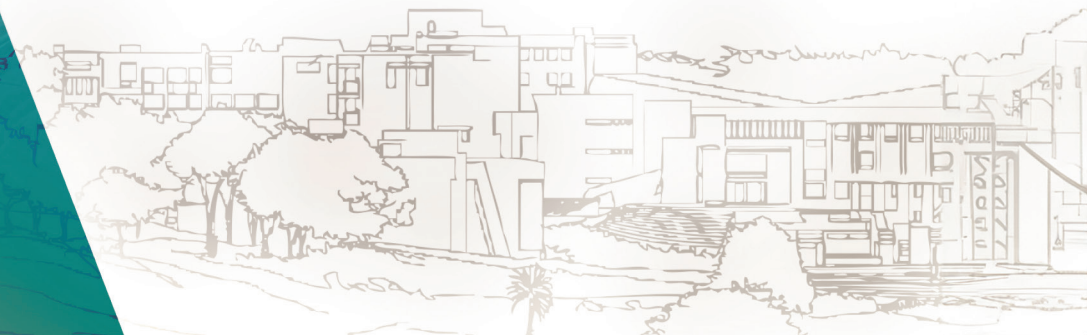

OVERVIEW

ākar is a purpose-built Pre-University (PU) program designed for students who aspire to excel in board examinations while strategically preparing for competitive entrance tests. Rooted in Acharya's decades-long commitment to academic excellence, ākar offers a structured, disciplined, and result-oriented learning ecosystem that nurtures intellectual, emotional, and personal growth.

More than a PU course, ākar is a two-year transformational journey that blends strong academic foundations, competitive exam readiness, life skills, and holistic development — preparing students for success in higher education and beyond.

THE ākar ADVANTAGE

- Integrated Coaching (No need for extra tuition)
- Focus on Board Exams + Competitive Exams
- Regular mock tests & progress tracking
- Experienced faculty with proven track record
- Smart classrooms, library & digital learning
- Strong emphasis on discipline, values & career guidance

ACADEMIC LEGACY OF ACHARYA

Backed by Acharya's proven academic framework, experienced faculty, and structured pedagogy refined over decades.

Performance-Driven Learning

- Continuous assessments and weekly tests
- Regular mock exams and grand tests
- Detailed performance analysis and feedback

Personalized Mentoring

Laptop Inclusive Learning | International Immersion Programs | Acharya Habba - Bangalore's Largest Inter College Fest

Exclusive Learning Advantage at ākar

At ākar, learning extends beyond textbooks through a **tablet-integrated** academic ecosystem powered by Acharya's advanced Learning Management System and it's own **AR & VR** labs. This structured approach combines academic excellence, entrance exam readiness, and career-focused skill development—preparing students for higher education and global opportunities.

Integrated Entrance Coaching

ākar seamlessly integrates coaching for major competitive examinations with the PU curriculum. Expert faculty, exam-oriented pedagogy, and continuous practice prepare students for NEET, JEE (Main & Advanced), KCET and other national-level entrance exams—without academic overload.

Regular assessments, detailed performance analysis, and focused doubt-clearing sessions ensure strong conceptual clarity, exam confidence, and consistent progress.

Key Inclusions

- Tablet-integrated learning with digital modules and practice tests
- Soft skills, communication, and life-skills training (OBT)
- Career counselling and career readiness support
- English proficiency assessment with British Council APTIS certification
- Foreign language training in German, French, and Japanese
- LinkedIn Learning access for industry-aligned upskilling

Teaching & Learning Methodology

- Structured daily academic schedule
- Concept-based teaching approach
- Updated study material aligned with latest exam patterns
- Regular revision cycles and practice sessions
- Balanced focus on academics, self-study, and recreation
- Foreign language training in German, French, and Japanese
- LinkedIn Learning access for industry-aligned upskilling

RESIDENTIAL AMENITIES AT ākar

Safe, Structured & Student-Centric Living ākar offers residential facilities designed to support focused learning, discipline, and student well-being in a secure and nurturing environment.

Key Highlights:

- Separate hostels for boys and girls with 24/7 security and resident wardens
- Spacious, well-ventilated rooms with essential furnishings
- Nutritious, hygienic meals with balanced diet planning
- Dedicated study hours and quiet learning zones
- 24/7 medical support and on-campus counseling
- Yoga, wellness activities, and sports facilities for physical fitness
- Regular parent communication and pastoral care

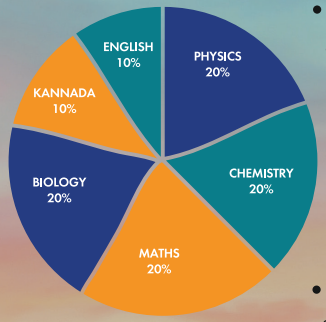

ākar's residential ecosystem ensures students experience independence with guidance, comfort with care, and an environment that keeps them academically focused.

ākar BY ACHARYA

At ākar, students don't just prepare for exams — they build discipline, confidence, resilience, and clarity of purpose. Every element of the program is designed to help learners discover their potential and achieve long-term success.
