ACHARYA
INSTITUTE OF
ALLIED HEALTH SCIENCES

CHAIRMAN' S MESSAGE

Welcome to Acharya, where intellectual curiosity meets a vibrant and inclusive community. Here, you will discover a distinctive culture rooted in open discourse, rigorous inquiry, innovation, and diverse perspectives. Whether you are joining us from India or abroad, we are committed to making your journey truly international, engaging, and enriching.

At Acharya, education extends far beyond classrooms. Through international collaborations, student exchange initiatives, and exposure to multicultural learning environments, we prepare students to become confident global citizens ready to thrive in an interconnected world.

The institution is equipped with advanced laboratories, modern research facilities, and hands-on training environments that enable students to gain practical knowledge and real-world exposure essential for successful careers in the healthcare sector. Students also benefit from live clinical exposure through collaborations with leading hospitals, occupational therapy and optometry clinics, as well as industry associations with organizations such as Carl Zeiss, enabling experiential learning with advanced diagnostic and vision-care technologies.

To bridge the gap between academia and industry, Acharya has established strong collaborations with leading hospitals and industry partners. These partnerships provide students with enrichment programs, internships, industry exposure, skill-development initiatives, and hands-on learning experiences.

Our strong focus on career readiness and employability has resulted in excellent placement opportunities across reputed national and international organizations.

Our mission is to continuously evolve to meet your needs while supporting the long-term vision of Acharya as a center of excellence in education, innovation, and research. On behalf of the management, faculty, and staff, it is my pleasure to welcome you to the Acharya family.

B Premnath Reddy

WELCOME TO ACHARYA INSTITUTE OF ALLIED HEALTH SCIENCES !

We are thrilled to welcome you to our prestigious institution as you begin an exciting journey of academic and personal growth. This Pre-Arrival Guide has been carefully prepared to provide essential information and resources to help you navigate your early days here with confidence and ease.

The guide offers valuable insights into the diverse opportunities available at Acharya. We provide excellent sports facilities, encourage institute-industry interaction, and promote strong alumni networking to support your smooth transition into campus life. Please give special attention to the Induction Program, as it plays a vital role in helping you adapt to the academic environment and make the most of your journey at Acharya.

Your assigned proctor will be your primary point of contact for guidance, support, and queries. For your convenience and safety, the guide also includes details on hostel facilities, campus protocols, and emergency contacts.

ORIGINAL DOCUMENTS TO BE SUBMITTED IN PERSON

- Original Marks Card / Certificate of Grade X, XII or its equivalent (O-level / A-level for International students)(A duly attested English translation is needed if your Marks Card / Certificates are not in English)
- Transfer Certificate or School Leaving Certificate
- Student Character / Conduct Certificate
- Migration Certificate (Non-Karnataka Students & CBSE Students)
- Aadhaar Card (Indian students)
- Income & Caste Certificate (Indian students)
- 15 colour passport size photographs, with recent date to be mentioned. (Size: 5x5cm or 3.5x4.5cm or 3.5x3.5cm)
- Copy of the passport

Additionally, **International students** must submit the following:

- Letter of Sponsorship (for sponsored students)
- Bank Statement / Financial Guarantee
- Travel Insurance (from the country of origin)
- Passport copy – first and last page and Visa copy (with immigration stamped date page)

- **Note:**
  Carry all the original documents alongwith 3 sets of photocopies.

ORIENTATION PROGRAM

Please prioritise the Orientation Program; it's crucial for your success. This induction offers essential insights, resources, and guidance to help you maximise your experience at Acharya Institute of Allied Health Sciences.

PRE-ASSESSMENT

On the second day of the Orientation Program, a Pre-Assessment test will be conducted. The Orientation Program will deliver the bridge course curriculum across various disciplines. After completing the bridge course, a Post-Assessment test will be held to evaluate students' abilities and offer suggestions for improvement.

BRIDGE COURSE – A stepping stone to your academic journey

- Annually, a bridge course is conducted for newly admitted students before the first semester begins.
- Our bridge course aims to facilitate a smooth transition into college life, providing a solid foundation for academic success.
- The primary objective is to bridge the gap between 12th-grade subjects and those they will encounter in their studies.
- The syllabus is designed to provide fundamental knowledge of the subjects they will study throughout their program.

OBJECTIVE

- Courses are designed to boost the confidence of students and lay foundational skills and knowledge necessary for success in their chosen academic paths.

METHODOLOGY

Pre-Assessment test will be conducted on the second day of the Orientation Program. During the Orientation Program, the bridge course curriculum is delivered to the students in various disciplines. A post-bridge course test is conducted after the completion of the bridge course syllabus to assess the ability of students' suggestions and provide improvisation.

International students are required to report two days prior to the start of classes

ANTI – RAGGING COMMITTEE

The Acharya campus maintains a zero-tolerance policy towards ragging, ensuring a safe and nurturing environment free from any instances of such behaviour. To uphold this commitment, it has established an Anti-Ragging Committee tasked with monitoring and preventing any instances of ragging within the campus premises. To report any instances of ragging, please call

Anti Ragging Hotline : +91 9945 72 7317

AMENITIES

Acharya campus boasts a wide range of clubs and top-notch amenities to enrich student life. From arts and sports to technology and cultural activities, our clubs offer numerous opportunities for personal growth. The campus features state-of-the-art sports facilities, well-stocked libraries, modern cafeterias, and comfortable study spaces, ensuring a dynamic and supportive environment for all students.

10+ ENGAGING CLUBS

Active participation in diverse clubs is vital for holistic student development at Acharya. Students get an opportunity to learn new skills or enhance the skills they already possess. Joining a club is also the best way to find a community and build strong friendships with people who share your interests. It helps build memories that will stay with you for a long time.

Club registrations can be availed through your ERP.

ACHARYA ERP

Acharya ERP is a 100% online integrated digital management platform that streamlines academic and administrative processes. It offers a separate dedicated login for parents, enabling easy access to attendance, academic records, timetables, examination updates, fee management, and important communications.

For technical issues with the portal before joining, contact the ERP Helpline:+91 63648 83311 (WhatsApp only)

Bangalore city is well-connected by metro rail. Refer to the route map below.

LIVING GUIDE

Bengaluru

ABOUT BENGALURU

Bengaluru, the capital of Karnataka, is a bustling IT hub known as the Silicon Valley of India, located on the Deccan Plateau. The city's name, derived from "Bengalooru" in Kannada, means "the town of boiled beans," given by King Veera Bhalla II of the Hoysala dynasty in 1120. Kempe Gowda laid the city's foundation. Kannada is the local language, and Kannada Rajyotsava, marking Karnataka's formation on November 1, 1956, is a widely celebrated public holiday.

Bengaluru beautifully balances its rich heritage with modernity, featuring gardens, Tipu Sultan's summer palace, and a vibrant pub culture. The city is well-connected with domestic and international airports

CLIMATE

Situated at 920m (3021 ft) above sea level, Bengaluru enjoys a moderate, pleasant climate year-round. Summer temperatures peak at 34°C and winter lows reach 15°C. The city benefits from both southwest and northeast monsoons.

LANDMARK PLACES TO SEE IN BENGALURU

Bangalore Palace
Resembling England's Windsor Castle, this majestic palace is a scenic tourist hotspot set amidst lush greenery.

Lal Bagh
Spread over 240 acres, this famous botanical garden was built in the 18th century by Hyder Ali and Tipu Sultan. It houses rare flora and fauna, a lake, and a glasshouse.

Vidhan Soudha
An imposing 46-meter-tall building with Dravidian architecture, comprising 300 rooms and 22 government departments. It is one of the largest legislative buildings in India.

Attara Kacheri (High Court)
This elegant two-story building, meaning "eighteen offices," faces Vidhan Soudha. Nearby attractions include Cubbon Park, Vishveshwaraya Museum of Science and Technology, and Venkatappa Art Gallery.

Cubbon Park
Covering 300 acres, this park showcases over 6,000 species of trees and plants, famous statues, and well-planned avenues. It's a haven for nature lovers and those interested in the park's landscaping and architecture.

Bannerghatta National Park
Located in the valley of Champakadhama hills, this park is a natural zoological reserve that includes a zoo, safari, butterfly park, and rescue center. It promotes wildlife conservation and responsible tourism, providing animals with a harmonious natural habitat.

St. Mark's Cathedral

Founded in 1808 and consecrated in 1816, St. Mark's Cathedral on M.G. Road features colonial architecture with a beautiful dome, Roman arches, delicate woodwork, carvings, and stained glass. Modeled after St. Paul's Cathedral, it is a historic gem.

Bull Temple

Dodda Basavana Gudi, devoted to Nandi Bull, was built in the 16th century in Dravidian style. It houses one of the largest Nandi idols, standing 15 feet tall and 20 feet long. The temple was built to appease a bull that destroyed crops, leading to the annual Groundnut Fair (Kadalekai Parase).

Dodda Ganesha Temple

Located next to Bull Temple, this temple features an 18-foot tall and 16-foot wide Ganesha idol. Known for its "Benne Alankara," where the idol is coated with over 100 kg of butter, it attracts many devotees from across Bengaluru.

ISKCON Sri Radha Krishnachandra Temple

Located in Bengaluru, this temple houses idols of Radha and Krishna and is one of the largest ISKCON temples worldwide. Inaugurated in 1997, it promotes Vedic culture and spiritual learning, attracting visitors globally for a peaceful experience.

Jawaharlal Nehru Planetarium

The Jawaharlal Nehru Planetarium, managed by the Bengaluru Association for Science Education (BASE), features a 15-meter dome with a seating capacity of 210. It offers a unique experience with 200 projectors simulating the night sky. The centre focuses on quality science education and nurturing creative talents for research and teaching careers.

National Gallery of Modern Art

Housed in the grand Manikyavelu Mansion on Palace Road, the National Gallery of Modern Art showcases 150 years of Indian art, starting from 1857. This modern museum features a refurbished auditorium, open-air theatre, library, cafeteria, museum shop, and art storage, making it a cultural treasure in Bengaluru.

Bengaluru, the capital of Karnataka, is a vibrant IT hub known as the Silicon Valley of India, located on the Deccan Plateau. Kannada is the local language, with Hindi and English commonly spoken. Useful Kannada words are enlisted below.
