ACHARYA INSTITUTE OF GRADUATE STUDIES

2025-26

CHAIRMAN'S MESSAGE

Welcome to Acharya, where intellectual curiosity meets a vibrant, inclusive community. Here, you'll find a distinctive history rooted in open discourse, rigorous inquiry, and diverse perspectives. Whether you're joining us from India or abroad, we are committed to making your experience truly international and enriching.

As you step into this new chapter, know that you are becoming part of a community dedicated to making a real difference. We believe in the power of education to transform individuals and, through them, communities and the world. Acharya thrives on strong, meaningful relationships, and our faculty is deeply engaged in every aspect of campus life. We see our students as extraordinary individuals and are excited to support you, connect you with mentors, and help you navigate your goals and challenges.

Our mission is to evolve to meet your needs and support the long-term vision of Acharya. To bridge academia and industry, we've forged collaborations with leading companies, offering enrichment programs that keep you at the forefront of technological advancements. Acharya now provides laptops to ensure you're equipped for practical learning at all times. On behalf of the management, faculty, and staff, it is my pleasure to welcome you to the Acharya family. We are thrilled to have you with us and look forward to witnessing your growth and success.

Warm regards,

B Premnath Reddy
Founder Chairman

WELCOME TO ACHARYA INSTITUTE OF GRADUATE STUDIES !

We are thrilled to welcome you to our prestigious institution as you begin an exciting journey of academic and personal growth. This Pre-Arrival Guide has been carefully prepared to provide essential information and resources to help you navigate your early days here with confidence and ease.

The guide offers valuable insights into the diverse opportunities available. At Acharya, we provide excellent sports facilities, encourage institute-industry interaction, and promote alumni networking to support your smooth transition into campus life.

Please give special attention to the Induction Program, which is key to your success throughout the four-year journey. Your assigned proctor will be your primary contact for queries and support.

For your convenience and safety, the guide also includes details on hostel facilities, campus protocols, and emergency contacts.

ORIENTATION PROGRAM

Please prioritize the Orientation Program; it's crucial for your success over the next three years. This induction offers essential insights, resources, and guidance to help you maximize your experience at Acharya Institute of Graduate Studies.

PRE-ASSESSMENT

On the second day of the Orientation Program, a Pre-Assessment test will be conducted. The Orientation Program will deliver the bridge course curriculum across various disciplines. After completing the bridge course, a Post-Assessment test will be held to evaluate students' abilities and offer suggestions for improvement.

BRIDGE COURSE – A stepping stone to your academic journey.

- Annually, a bridge course is conducted for newly admitted students before the first semester begins.
- Our Bridge course aims to facilitate a smooth transition into college life, providing a solid foundation for academic success.
- The primary objective is to bridge the gap between 12th-grade subjects and those they will encounter in their graduation studies.
- The syllabus is designed to provide fundamental knowledge of the subjects they will study throughout their graduation program.

OBJECTIVE

Courses are designed to boost the confidence of students and lay foundational skills and knowledge necessary for success in their chosen academic paths.

METHODOLOGY

Pre-Assessment test will be conducted on the second day of the Orientation Program. During the Orientation Program, the bridge course curriculum is delivered to the students in various disciplines. A post-bridge course test is conducted after the completion of the bridge course syllabus to assess the ability of students' suggestions and provide improvisation.

ABOUT BENGALURU

Bengaluru, the capital of Karnataka, is a bustling IT hub known as the Silicon Valley of India, located on the Deccan Plateau. The city's name, derived from "Bengalooru" in Kannada, means "the town of boiled beans," given by King Veera Bhalla II of the Hoysala dynasty in 1120. Kempe Gowda laid the city's foundation. Kannada is the local language, and Kannada Rajyotsava, marking Karnataka's formation on November 1, 1956, is a widely celebrated public holiday.

Bengaluru beautifully balances its rich heritage with modernity, featuring gardens, Tipu Sultan's summer palace, and a vibrant pub culture. The city is well-connected with domestic and international airports

CLIMATE

Situated at 920m (3021 ft) above sea level, Bengaluru enjoys a moderate, pleasant climate year-round. Summer temperatures peak at 34°C and winter lows reach 15°C. The city benefits from both southwest and northeast monsoons.

LANDMARK PLACES TO SEE IN BENGALURU

Bangalore Palace

Resembling England's Windsor Castle, this majestic palace is a scenic tourist hotspot set amidst lush greenery.

Lal Bagh

Spread over 240 acres, this famous botanical garden was built in the 18th century by Hyder Ali and Tipu Sultan. It houses rare flora and fauna, a lake, and a glasshouse.

Vidhan Soudha

An imposing 46-meter-tall building with Dravidian architecture, comprising 300 rooms and 22 government departments. It is one of the largest legislative buildings in India.

Attara Kacheri (High Court)

This elegant two-story building, meaning "eighteen offices," faces Vidhan Soudha. Nearby attractions include Cubbon Park, Vishveshwaraya Museum of Science and Technology, and Venkatappa Art Gallery.

Cubbon Park

Covering 300 acres, this park showcases over 6,000 species of trees and plants, famous statues, and well-planned avenues. It's a haven for nature lovers and those interested in the park's landscaping and architecture.

Bannerghatta National Park

Located in the valley of Champakadhama hills, this park is a natural zoological reserve that includes a zoo, safari, butterfly park, and rescue center. It promotes wildlife conservation and responsible tourism, providing animals with a harmonious natural habitat.

St. Mark's Cathedral
Founded in 1808 and consecrated in 1816, St. Mark's Cathedral on M.G. Road features colonial architecture with a beautiful dome, Roman arches, delicate woodwork, carvings, and stained glass. Modeled after St. Paul's Cathedral, it is a historic gem.

Bull Temple
Dodda Basavana Gudi, devoted to Nandi Bull, was built in the 16th century in Dravidian style. It houses one of the largest Nandi idols, standing 15 feet tall and 20 feet long. The temple was built to appease a bull that destroyed crops, leading to the annual Groundnut Fair (Kadalekai Parase).

Dodda Ganesha Temple
Located next to Bull Temple, this temple features an 18-foot tall and 16-foot wide Ganesha idol. Known for its "Benne Alankara," where the idol is coated with over 100 kg of butter, it attracts many devotees from across Bengaluru.

ISKCON Sri Radha Krishnachandra Temple
Located in Bengaluru, this temple houses idols of Radha and Krishna and is one of the largest ISKCON temples worldwide. Inaugurated in 1997, it promotes Vedic culture and spiritual learning, attracting visitors globally for a peaceful experience.

Jawaharlal Nehru Planetarium
The Jawaharlal Nehru Planetarium, managed by the Bengaluru Association for Science Education (BASE), features a 15-meter dome with a seating capacity of 210. It offers a unique experience with 200 projectors simulating the night sky. The centre focuses on quality science education and nurturing creative talents for research and teaching careers.

National Gallery of Modern Art
Housed in the grand Manikyavelu Mansion on Palace Road, the National Gallery of Modern Art showcases 150 years of Indian art, starting from 1857. This modern museum features a refurbished auditorium, open-air theatre, library, cafeteria, museum shop, and art storage, making it a cultural treasure in Bengaluru.

Bengaluru, the capital of Karnataka, is a vibrant IT hub known as the Silicon Valley of India, located on the Deccan Plateau. Kannada is the local language, with Hindi and English commonly spoken. Useful Kannada words are enlisted below.
