

ACHARYA

ACHARYA INSTITUTE OF GRADUATE STUDIES

Affiliated to BCU

Acharya Institute of Graduate Studies (AIGS), established in 2005, is one of Bengaluru's leading graduate colleges, committed to delivering industry-aligned undergraduate and postgraduate education. With innovative programs across sciences, technology, commerce, management, design, and languages, AIGS focuses on practical learning, career readiness, and holistic student development.

- Learn from experienced faculty with strong academic and industry exposure.
- Gain practical advantage through certifications such as AWS, ACCA, and other skill-based programs.
- Access global exposure through international immersion and collaborative learning opportunities.
- Benefit from personalized mentorship and a digitally rich library ecosystem.
- Achieve strong career outcomes with 550+ recruiters visiting annually for placements.

B.B.A ENTREPRENEURSHIP

Powered By EDII
(IIM Ahmedabad)

About

If building, growing and leading your own business is your dream, then Acharya's BBA in Entrepreneurship is your ideal choice. This three-year undergraduate program equips students with practical knowledge in business planning, innovation, financial management, marketing, and startup strategy. Students gain the confidence and skills to identify opportunities and turn ideas into sustainable businesses.

The entrepreneurship program comes with an internship opportunity driven by **EDII (IIM Ahmedabad)** that offers structured workshops and industry-driven internships, equipping students with the practical skills, entrepreneurial mindset, and real-world insights essential for success in a dynamic global economy.

- **Entrepreneurship-centric curriculum** designed to build core business knowledge while fostering innovation, leadership, and entrepreneurial thinking.
 - **Practical startup exposure**, including business plan development, market research, pitch preparation, and real-world enterprise simulations.
 - **Mentorship by industry experts and entrepreneurs** who guide students through ideation, validation, and early venture strategies.
 - **Workshops, incubation support & networking** that connect students with investors, startup founders, and innovation communities.
 - **Hands-on experiential learning** through internships, live projects, and entrepreneurial events to strengthen real-world business skills.

Career Scope

- **Startup & business leadership paths** – Roles as **entrepreneurs, business founders, venture partners, and innovation managers** launching and leading ventures.
- **Corporate innovation & strategy roles** – Opportunities in **business development, product management, innovation labs, and strategic growth teams** across industries.
- **Consulting & advisory careers** – Potential to work as **business consultants, market analysts, operations strategists, or small enterprise advisors** supporting growing organisations.
