About

BBA in sports management is a three-year program designed to provide students with the necessary tools to function within the dynamic world of sports and athletics. The program applies the principles of management to the sports industry, where students gain specialized knowledge in sports marketing, event management, sports law, finance, and athlete management. The program curriculum is vetted by experts in the sporting industry. Students will receive hands-on training through workshops, field visits, and interactions with sports personalities. They also participate in national and international tournaments, where they gain real-world experience in organizing, managing, and promoting sporting events.

- **Industry-vetted sports management curriculum** blending business principles with specialised knowledge in sports marketing, event management, finance, law and athlete management.

- **Experiential learning through workshops and field exposure, including organising and managing sporting events like tournaments and leagues.**
- **Hands-on access to top-tier sports facilities**, such as a 10,000-seater stadium and training infrastructure that support practical skill building.
- **Opportunities to engage with sports personalities and industry experts** via guest sessions, field visits and networking activities.
- **Global sports business insights** through international collaborations, case studies, and exposure to contemporary sports industry trends.

Career Scope

- **Sports management & operations roles** — including **Sports Manager, Event Coordinator, Facility & Stadium Manager** in clubs, tournaments, and federations.
- **Sports marketing & branding careers** — such as **Sports Marketing Executive, Sponsorship & Brand Manager** with teams, agencies and corporate partners.
- **Specialist and analytics opportunities** — including **Athlete/Agent Manager, Sports Data Analyst, Sports Media & PR roles** in media, analytics and performance environments.
