

ACHARYA INSTITUTE OF TECHNOLOGY

Affiliated to VTU

NAAC A
ACCREDITED

Established in 2000, Acharya Institute of Technology (AIT) stands as a NAAC & NBA-accredited centre of excellence, recognised by NIRF for its academic standards and innovation. Located on a vibrant 120-acre campus in Bengaluru, AIT blends industry-aligned education, advanced infrastructure, and strong corporate partnerships to shape future-ready engineers and technology leaders.

- Industry-aligned MBA with dual/single specializations and AIMA-accredited expert faculty.
- Experiential learning through live projects, internships, and real-world business exposure.
- Tech-enabled, outcome-based pedagogy with strong focus on analytics and decision-making.
- Global exposure, CXO mentorship, and strong industry collaborations via CEIC.
- Strong placement ecosystem with top recruiters and comprehensive career readiness support.

MBA FINANCE

Business Analytics with Gen AI
Powered by

Microsoft

About

Our MBA program equips students with practical and theoretical training for investment and entrepreneurship. The focus on leadership and managerial skills make students ready to meet real-world challenges as soon as they graduate. The program also enables you to focus on specific areas of business like human resources, consulting, and data analytics. The MBA program is enhanced by Microsoft, offering a specialization in Business Intelligence.

Career Scope

Diverse Career Paths : MBA graduates can find employment in a wide range of industries, including finance, marketing, consulting, healthcare, and technology.

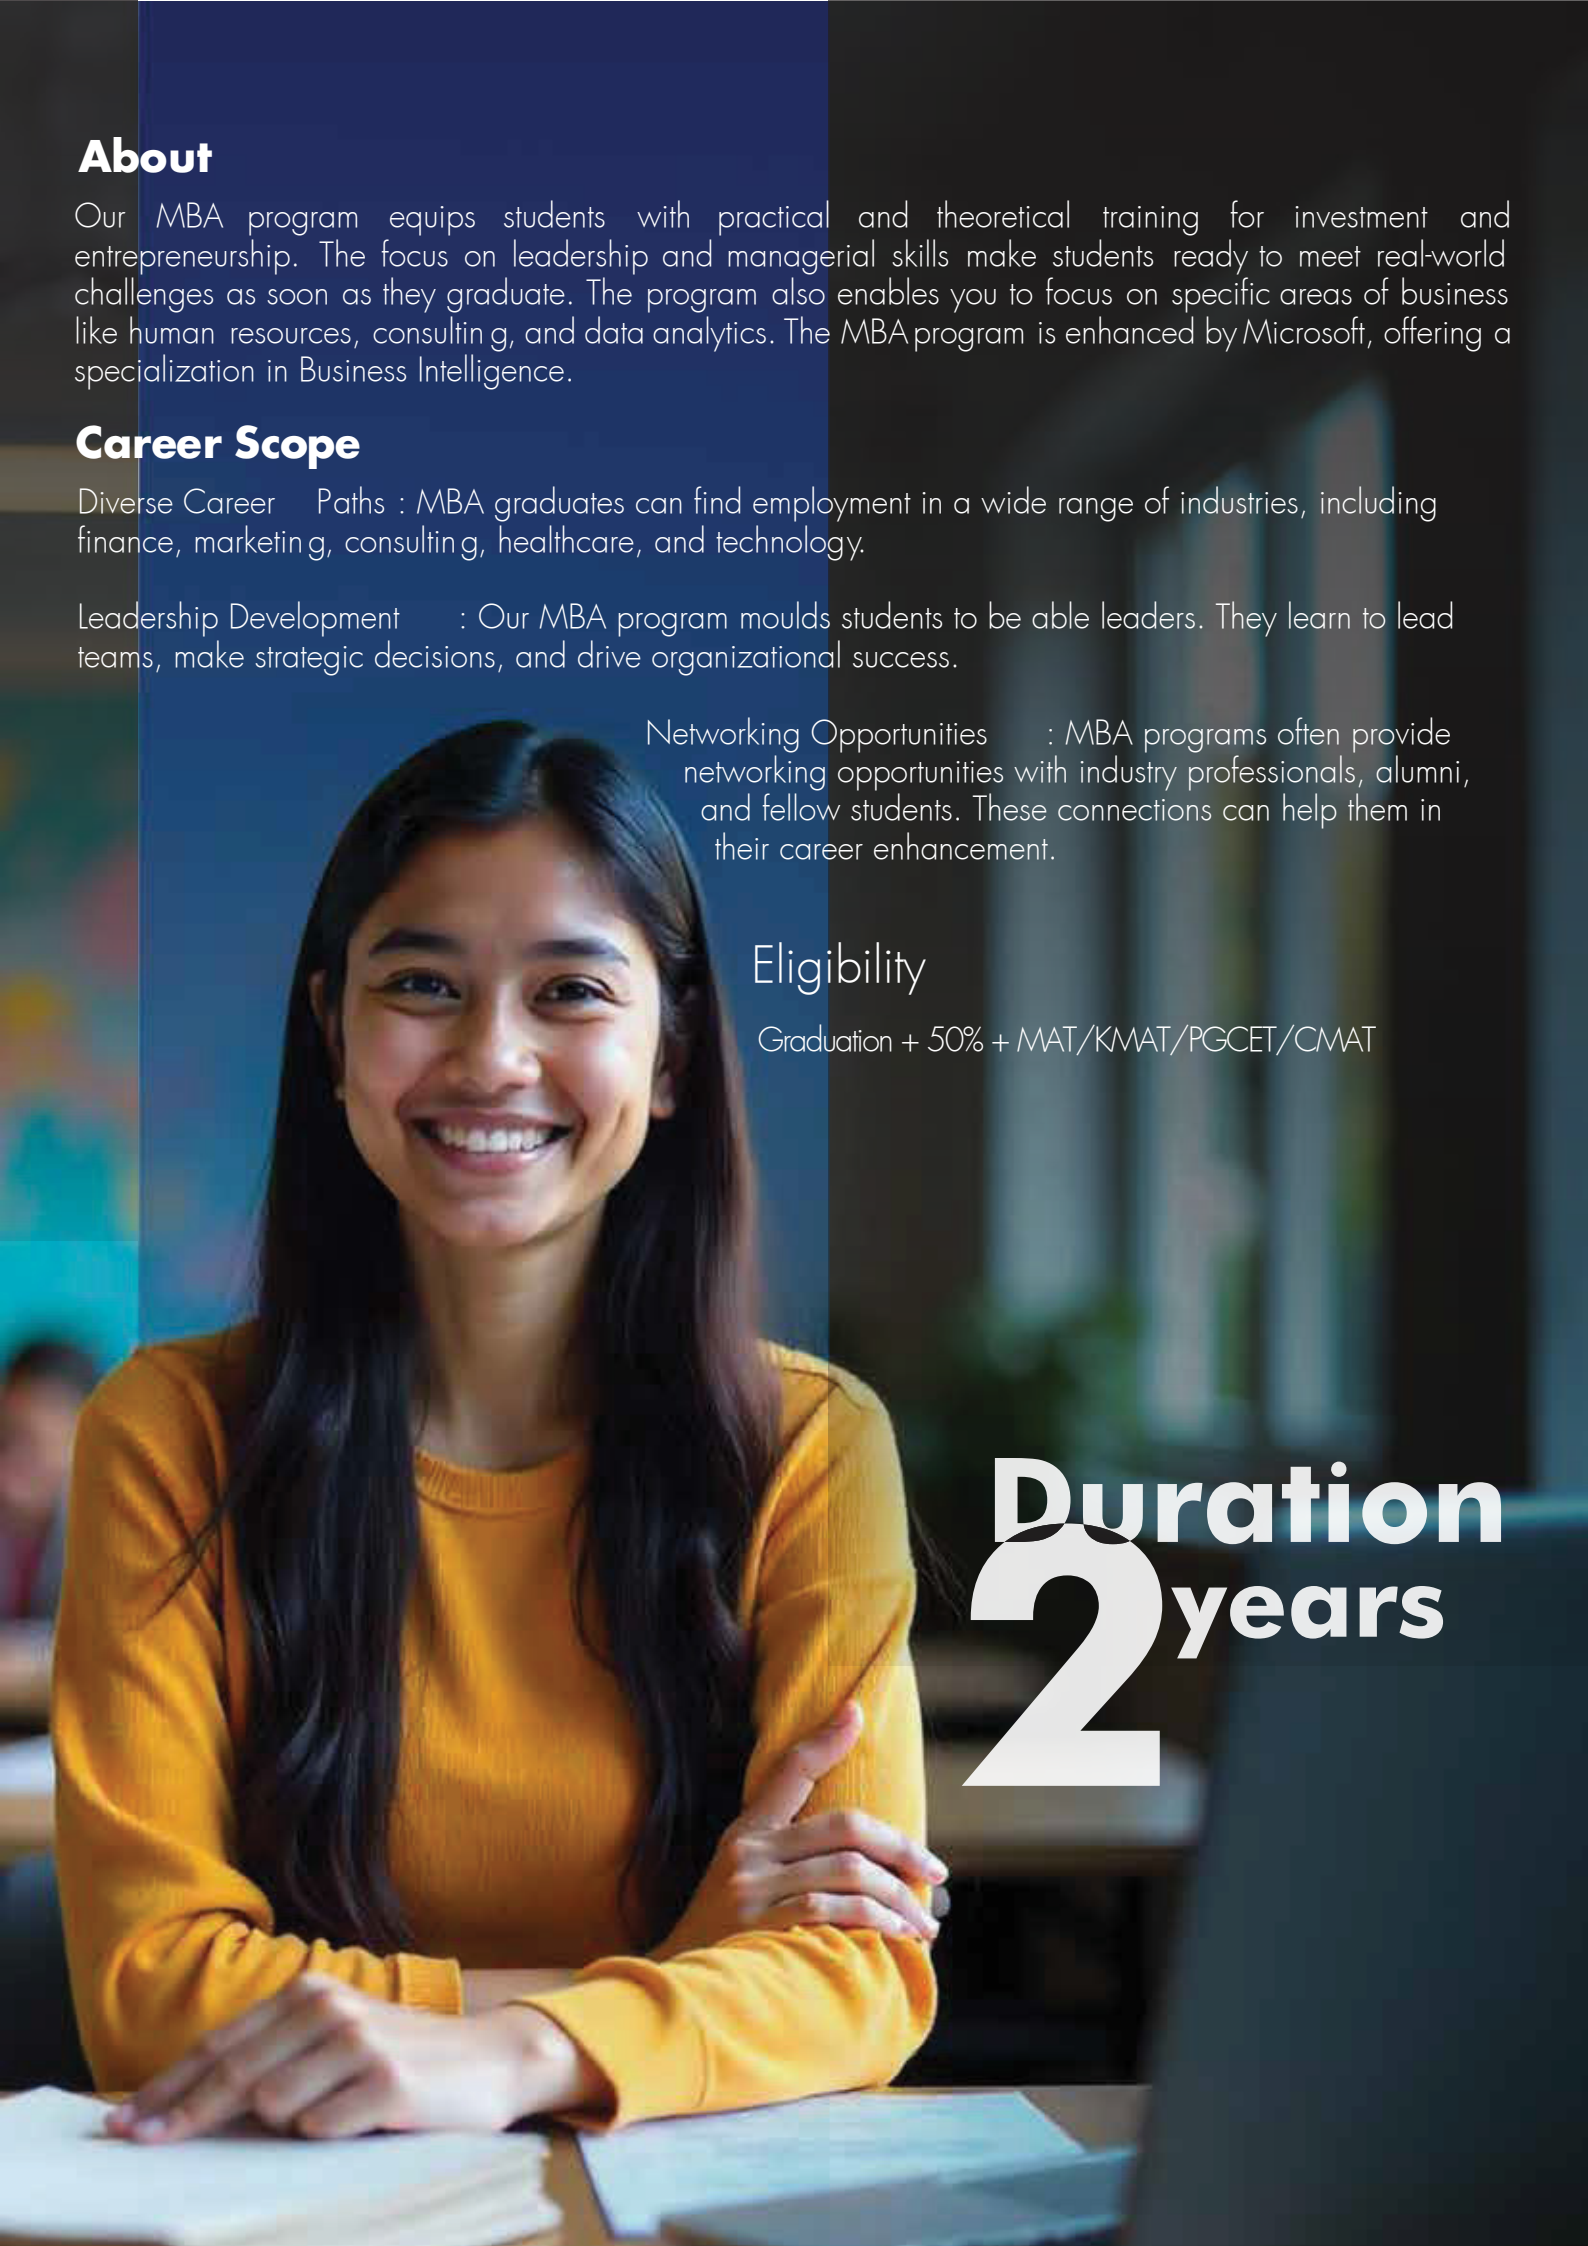

Leadership Development : Our MBA program moulds students to be able leaders. They learn to lead teams, make strategic decisions, and drive organizational success.

Networking Opportunities : MBA programs often provide networking opportunities with industry professionals, alumni, and fellow students. These connections can help them in their career enhancement.
