

ACHARYA'S NR INSTITUTE OF PHYSIOTHERAPY

Affiliated to RGUHS

- Global-standard curriculum with opportunities for international healthcare immersion.
- Hands-on clinical experience through a dedicated in-house clinic and healthcare collaborations.
- Community outreach programs offering impactful, real-world physiotherapy practice.
- Practical training that integrates theory with hands-on applications beyond the classroom.
- Cutting-edge labs and a digital library for comprehensive learning resources.
- Holistic development with clubs, extracurriculars, and a focus on soft skills.

A photograph of a young woman with long dark hair, smiling warmly. She is wearing a blue lab coat. The photo is framed by a large, dark blue arrow pointing upwards and to the right. In the background, a blurred anatomical model of a human torso is visible.

**MASTERS IN PHYSIOTHERAPY (M.P.T) -
COMMUNITY HEALTH**

About

Make a lasting impact on public health by joining our innovative Master of Physical Therapy program with a specialization in Community Health. Bridge the healthcare gap and bring rehabilitation services to underserved populations while advancing your career in physical therapy. This program combines evidence-based practice with community engagement, preparing you to address health disparities and promote wellness at the population level. Learn to develop, implement, and evaluate community-based rehabilitation programs that make a real difference.

Career Scope

Our graduates become leaders in:

- Community health centers
- Public health organizations
- School-based therapy programs
- Mobile therapy services
- Non-profit healthcare organizations
- Global health initiatives
- Health policy development
- Community wellness programs
